Email

Facility/VVO number
or similar

Certification(s) of the business

“Ohne Gentechnik” piglet production since:

PART 2: ANIMAL INVENTORY

1. Animals on the farm

Animal category	Animal spaces/number of animals	Thereof “Ohne Gentechnik” production (in %)
Sows		
Weaned piglets		
Fattening pigs		

2. Measures to prevent mixing up or swapping animals

2.1 How is the “Ohne Gentechnik” (non GMO) piglet production handled in the facility?

Only „Ohne Gentechnik” products on site (no GMO feed on site)

Spatially separated from conventional (GMO) production („Ohne Gentechnik” stables completely separated)

Temporally separated from conventional (GMO) production (stables are alternately used for non-GMO and GMO production)

Parallel production of the animal category in one stable (piglets fed “Ohne Gentechnik” compliant and piglets fed conventionally (GMO))
