Areas of application of VLOG certification	Number of managed bee colonies	Portion of the total production (%)	Volume of honey produced annually (Kg)
Beekeeping – honey/bees			

## PART 2: PURCHASE OF ANIMALS

Are bee colonies purchased in countries other than Germany?

- No       Yes, in:

<sup>1</sup> 10-xxxxx cf. Standard Usage Agreement with VLOG

<b>VLOG Standard Annex 20b</b>	<b>VLOG Facility Description and Declaration Beekeeper (honey/bees)</b>	<b>Version 11.02.22</b>
------------------------------------	---	-------------------------

### **PART 3: SITE OVERVIEW**

- The site overview for the bee colonies is up to date. The documents shall be preserved for at least three (3) years.
- All nectar, breeding and wintering sites are located in Germany (*continue with Part 4*).
- There are nectar, breeding and wintering sites outside of Germany.
  - According to official location registers or other information, no GMO plants are cultivated or released within a radius of 10 km from individual bee sites.
  - According to official location registers or other information, GMO plants are cultivated or released within a radius of 10 km from individual bee sites.
  - GMO plants are cultivated by the business itself.  
 GMO crop(s) cultivated or released:  
  
 Shortest distance to the bee sites:

### **PART 4: FEED LIST**

Please list all the bee feeds available at the business. Please always keep this overview updated by listing newly added feeds/suppliers and removing those no longer used. After the initial assessment, in case of additions/deletions, always indicate the date as of which the feed was added or is no longer used (change date). Proof is available that the purchased feed is not subject to compulsory labelling.

<b>Exact designation of the feed</b>	<b>Purchased from (supplier and address)</b>	<b>Amendment date</b>

<b>VLOG Standard Annex 20b</b>	<b>VLOG Facility Description and Declaration Beekeeper (honey/bees)</b>	<b>Version 11.02.22</b>
------------------------------------	---	-------------------------

**PART 4: FEED**

- NO genetically modified feed is manufactured, stored, processed or fed on the premises, even for a limited time (*continue with Part 5*).
- The following genetically modified feed is manufactured, stored, processed or fed on the premises, even for a limited time.

Exact designation of the feed	Animal species/Animal category

The following measures are taken to prevent carryover, commingling and swapping of genetically-modified feed with feed for the bees. (e.g. upon delivery, storage...):

--

**PART 5: PURCHASE OF HONEY & ADDITIONAL INGREDIENTS**

- Purchase of honey since the last VLOG audit:

Designation of honey	Supplier (name + address)	Quantity of honey purchased (kg/year)	VLOG certification is available	
			<input type="checkbox"/> Yes	<input type="checkbox"/> No
			<input type="checkbox"/> Yes	<input type="checkbox"/> No
			<input type="checkbox"/> Yes	<input type="checkbox"/> No
			<input type="checkbox"/> Yes	<input type="checkbox"/> No
			<input type="checkbox"/> Yes	<input type="checkbox"/> No

- Purchase of other ingredients (e.g., herbs, spices) since the last VLOG audit:

Ingredient	Supplier (name + address)	Date of GMO-free certificate <i>(Annex (1) of the VLOG Standard)</i>

<b>VLOG Standard Annex 20b</b>	<b>VLOG Facility Description and Declaration Beekeeper (honey/bees)</b>	<b>Version 11.02.22</b>
------------------------------------	---	-------------------------

**PART 6: OTHER RISKS OR SUSPICIOUS FACTS**

In the event of additional identified risks or even the smallest suspicion of contamination from pollen or other parts of genetically-modified plants, the business takes all necessary operational measures to exclude this possibility.

Suspicious facts, identified risks	Measures established to avoid contamination, carryover and swapping

**PART 7: SELF-MONITORING & UPDATING OF THE FACILITY DESCRIPTION**

The business itself checks the facility description once each calendar year, and it is up-to-date. I/we hereby declare the correctness of the information provided above.

Year of examination	202...	202...	202...
