

List of VLOG-recognised laboratories

Last update: 05.06.2025

The listing of a laboratory with the status "recognised" is a sufficient proof of a completed VLOG recognition. The laboratory does not receive an additional certificate of VLOG recognition

| No. | Laboratory | Land | GMO analysis area | GVO-Testing | | | since | until |
|-----|---|-------------|-------------------|---|-------------|------------|------------|-------|
| | | | | Analysis laboratory (Company carries out analyses itself)) | Outsourcing | status | | |
| 1 | Agrolab Alimentalia S.r.l. | Italy | Feed/ Food | yes | no | recognised | 01.01.2019 | |
